

Versos Triturados - Volumen 2 (Spanish Edition)

Versos Triturados como obra global, es una colección de 2.903 poemas cortos, publicados en 4 volúmenes, ideados por el autor en un proceso automático de pensamiento, sobre las ideas espontáneas que surgen en el continuo cotidiano de su vida. Es el reflejo de emociones, circunstancias y pensamientos del día a día. Una búsqueda incesante por captar, casi con obsesión, la sensación de la experiencia de la vida, siempre bajo el prisma existencial del autor.
