

## Thoughts turned words

This is a short anthology of some of my collected work from the past year. It is my very first attempt at something like this. It is short easy to read for anyone 15 and older to enjoy. I took my own life experiences or things Ive seen people i know go through and just wrote about them. It is a great read for those who love the idea of love or for those who love the idea of heartache youll get a bit of both in this short 28 page anthology. I hope you guys enjoy it and know that youre not alone in feeling certain ways. Enjoy.
