

Tom Poozer and the Golden Door (The Adventures of Tom Poozer Book 1)

Tom Poozer is the son of a missing IT consultant. One day, whilst browsing his father's computer, he is absorbed into the computer upon clicking on a mysterious icon: the Golden Door. Once inside the computer he is involved in a war between Anglo-Saxon tribesmen and the lizardmen. He befriends an Anglo-Saxon girl; Gunhilde. He is captured by the lizardmen but he escapes. He hears that a man called Poozer was last heard of in the port of Askhelon. He sails to Askhelon where he learns from the Raven that his father has been sold into slavery in the goldmine of the Titan. He joins the secret, underground resistance of Simon Guildford to the corrupt local government of Askhelon. He then sets out to free his father. After many adventures he succeeds. Then the Raven shows them where the electric lead comes into the computer and Tom and his father are released to the outside world.
