

Love Letters and Childrens Drawings

Hull-based poet Norah Hanson's graceful, intelligent writing has been delighting readers for decades. Now, for the first time, a selection of her work has been collected in a single volume - one that will be enjoyed by established poetry fans and the casual reader alike. Whether reflecting on the past, through derelict landmarks and absent friends, confronting present-day domestic dilemmas with wit and good-humour, or looking to the future through the eyes (and extraordinary energies) of her grandchildren, Norah remains unswervingly honest, entertaining and inventive. *Love Letters & Childrens Drawings* is poetry at its very best - constantly insightful, compelling, and essential.
