

A Smile is Worth a Thousand Words: A Photographic Tour of Happiness

Brighten your day and the day of those around you with this simple idea: A smile is worth a thousand words. The publisher of this book have taken the phrase literally by challenging some of the worlds great photographers to capture the essence of this sentiment, with the best of these images compiled here into a visual essay on the subject. The book features smiles indicating a variety of moods, from sweet and innocent to suggestive and seductive. Theyre worn by men and women, brides and grooms, children and babies, old and young, comprising a celebration of one of lifes loveliest, most luminous moments. Remember, smiles are infectious!
